

SNAP[®]

The SNAP[®] program is a 12-week, in-person initiative designed for families with children aged 6 to 11 who are facing behavioral challenges.

We accommodate two age groups: 6-8 and 9-11, encompassing both girls and boys, with mandatory parent groups included. Meals will be provided during the sessions. If you require assistance with transportation or childcare, please do not hesitate to contact us so we can explore available support options.

**Next session September 16th -
Tuesday December 9th, 2025
4:30 - 7:30pm
Location: 18 Stoneridge Circle,
